

Welcome!

Michael Dawid, Jr. has joined the Bank as Controller. In this role, Michael will assume responsibility for managing accounting, electronic funds and payment processing, purchasing, and financial reporting departments.

Michael is a CPA and comes to The Milford Bank with more than 20 years of auditing experience in the

financial services industry, most recently at CironeFriedberg, LLP.

Michael earned a Bachelor's Degree in Accounting from Southern CT State University.

Michael lives in Trumbull with his wife and son. In his spare time, he is an avid road cyclist.

Tyler A. Haskell has joined the Bank as Security & Facilities Manager. In this role, Tyler will be responsible for developing, implementing and administering all aspects of the Bank's Safety, Security and Fraud Prevention Programs. He will also oversee maintenance and upkeep of the Bank's locations.

Tyler holds a B.S. degree in Criminal Justice. He previously served 4 years active duty in the US Coast Guard as a Federal Law Enforcement Officer/Engineer. (cont. on next page.)

Happy Work Anniversary!

Sharon MacKenzie	46 years
Lisa Richetelli	18 years
John Bailly	14 years
John DaRin	8 years
Mary Kos	7 years
Rebecca Tudor	7 years
Janet Harrison	4 years
Ralph Neclerio	2 years
Paul Geer	1 year

Congratulations!

Thank You!

Thanks to your support, our two recent Shred and Electronics Recycling Events were a huge success!

On May 12th, we actually filled the shred truck to capacity. That's 10,000 pounds/5 tons of paper, that will be recycled and put to good use. Our event was so successful, we decided to run it again on June 23rd, at which time we filled half a shred truck.

At both events, we collected lots of outdated electronics, which will be disposed of in a safe and environmentally responsible manner.

Keep an eye out for details about our next Shred and Electronics Event in October!

Welcome (continued)

Tyler is a former Detective in the Wallingford Police Department. He most recently served as Security and Fraud Investigator with a local financial institution.

Tyler resides in the town of Madison with his wife and daughter. He is a volunteer firefighter in Madison. In his spare time, he enjoys traveling, fishing, and boating.

William Newman (Bill) joined the Bank as a Financial Advisor.

Bill joins John Kuehnle as a Financial Professional with TMB Financial Solutions. In

this role, Bill will be supporting John, growing the Bank's investment client base, and helping the branches and call center to facilitate more business, all while providing a high level of customer support.

Bill comes to The Milford Bank with more than 13 years of experience in the financial services industry.

He earned a Bachelor's Degree in Economics from the University of Connecticut in 2004. He is Series 6, 63, 7, life, accident, and health licensed. Bill lives in East Haven with his rescue pit bull, Miah. In his spare time, he likes to paint, golf, snowboard, and collect sports memorabilia.

Investment and insurance products and services are offered through INFINEX INVESTMENTS, INC. Member FINRA/SIPC. TMB Financial Solutions is a trade name of The Milford Bank. Inflex and The Milford Bank are not affiliated. Products and services made available through Inflex are not insured by the FDIC or any other agency of the United States and are not deposits or obligations of nor guaranteed or Insured by any bank or bank affiliate. These products are subject to investment risk, including possible loss of value.

The Milford Bank is pleased to sponsor a drive to collect donations for the Food 2 Kids program in Milford, CT. During the month of September, cash donations or checks made payable to **Milford Food 2 Kids** will be accepted at any Milford location of the Bank.

For some Milford students, school is the only reliable source of food in their lives. From Friday afternoon until they return to school on Monday morning, these children do not know if, when, or how much quality food they will have available. Milford Food 2 Kids was launched, in partnership with local schools and CT Food Bank, to help bridge the food gap for some of our community's food insecure kids. For only \$7, you can help feed one child for the weekend. For \$280, you provide weekend meals for a child for the school year.

Donations collected will fund bags of kid-friendly food — enough for at least six meals — that will be handed out every week to children identified by partnering school's

teachers and counselors as being the most in need.

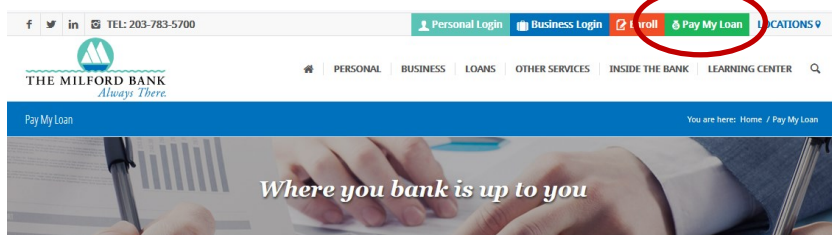

This is our third year collaborating with the program. Our fundraising goal this year is \$20,000.

Over the past two years we have raised over \$40,000.00. At \$280.00 per child annually, these funds fed over 140 children who don't have a reliable source of food while not in school.

The city of Milford has an estimated 180 children who are in need of this resource. With our help the Food 2 Kids now services Milford's high schools as well as elementary students.

Introducing Pay My Loan

Now you can enjoy the convenience of paying your mortgage, home equity or personal loan online from an account at another financial institution.

Click the **Pay My Loans** tab on the top of our home page for more information.
