

NEW at The Milford Bank:

The Milford Bank is excited to announce that we now offer Plinqit, a savings app that pays users for engaging with content, helping customers save money and increase financial wellness.

Plinqit is a non-traditional, modern tool that helps with the first step of the financial wellness journey: saving money.

Securely link your Plinqit account to your bank account to get started. Once linked, you can set up to five savings goals in Plinqit and have Plinqit help you set aside a small amount of money regularly, on a schedule you choose.

You can earn money using Plinqit by reaching your savings goals and referring friends and family to use Plinqit. You can also watch videos and read articles to learn more about money and saving and get rewarded for it!

PLINQIT BENEFITS

Automatic deposits.

Earn rewards by inviting friends.

Decide how often and how much each transfer should be.

All you need to use Plinqit is a checking account. Using Plinqit is absolutely free; there are no service or usage fees with Plinqit;* Just use, and enjoy. You may choose to elect a 'break the safe' penalty to discourage early withdrawal, however this is optional and not required to use Plinqit. For more information and to sign up, please visit milfordbank.plinqit.com

Your Plinqit funds are held within The Milford Bank and your Plinqit funds are FDIC insured.

*Normal data and usage rates may apply.

Shred & Recycle Day Collects Seven Tons of Paper, Donates \$194 to Food 2 Kids.

On Saturday, October 12th, The Milford Bank held our annual Shred and Recycle Day event at our Post Road West Office. The Bank was happy to collect seven tons of paper, as well as filling a utility truck with outdated electronic items and donated \$194 to local Milford organization Food 2 Kids.

Halloween @ The Milford Bank

If you visited our offices on Halloween or follow us on social media, you probably noticed that the TMB offices celebrated Halloween in style! TMB got into the spirit of the holiday, with amazing themed efforts. We would like to thank all of our employees that took part in making the banking experience "spooky!"

Woodmont Office Re-Design, Ribbon Cutting & 40th Anniversary Celebration

Our Woodmont customers may have noticed that the office has gotten a new, modern facelift recently. To celebrate the 40th anniversary of the office, we've remodeled!

We also took part in a ribbon cutting ceremony hosted by the Milford Chamber of Commerce with Mayor Ben Blake taking part in our Grand Re-opening. The Woodmont Office was also happy to donate the left over food from the event to Milford's Beth-el Center.

(from left) Woodmont Office Manager Lynda Mason and Beth-el Center Executive Director Jennifer Paradis

Along with the ribbon cutting, customers experienced a special "Woodmont-centric" trivia game and a social media scavenger hunt in which residents were tasked with solving clues to iconic Woodmont landmarks.
