### EMPLOYEE SPOTLIGHT

# KRISTINE RODRIGUEZ

## CUSTOMER SOLUTIONS SPECIALIST

### How do you like working for The Milford Bank?

I can't imagine working anywhere else! The knowledge I've gained over the years from employees I've worked with or still work with helped me get to the position I'm in today.

### What is the best part of your job?

Interacting with the customers. It's a great feeling when you open someone's first checking account or when you help a first time homebuyer with a loan.

### What organizations do you support and why?

Milford Food 2 Kids because no child should ever go hungry. I know that the funds

raised through this nonprofit are staying in our community and could very well be helping one of my boys classmates or a customer's family member. That to me is a good feeling. I'm a huge ambassador for them and a member of their advisory board.

### What three words would you use to describe The Milford Bank?

Community focused (for obvious reasons), ever-evolving (staying up to speed with the newest technology, services and products we offer), Always There.

### How do you balance work and family?

It is not easy especially with my

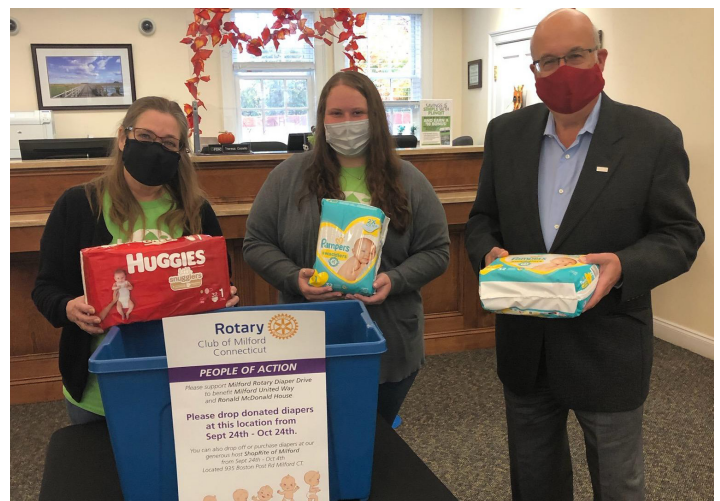

husband's work schedule and two kids in elementary school. But...my parents specifically, have always been there for us which I'm forever grateful for. I have to remind myself to take some time for just me every now and then.

# HAPPY ANNIVERSARY!
