## HELP US FIGHT HUNGER

For the month of September, all offices and departments of The Milford Bank are participating in a fundraising campaign for the **Milford Food 2 Kids** program and **Stratford's Sterling House Food 4 Kids** program. The goal of both programs is to provide each child

with food that they can take home over the weekend to ensure a secure source of food. Food insecurity impacts the well-being of children. Their physical, emotional, and social health, as well as their ability to learn, can be negatively affected. Both organizations are passionate about making sure that children have the resources they need to thrive. To donate, go to [milfordfood2kids.org](https://milfordfood2kids.org) and [sterlinghousecc.org/stratford-food-4-kids](https://sterlinghousecc.org/stratford-food-4-kids).

### EMPLOYEE SPOTLIGHT

# MATT KELLY

## CUSTOMER SOLUTIONS SPECIALIST

### How do you like working for The Milford Bank?

Working for The Milford Bank is amazing. I have been with the Bank for 11 years and hope there are many more to come. The level of service the Bank provides to both our customers and our community is beyond expectation, and I am proud to be a part of this wonderful organization.

### What three words would you use to describe The Milford Bank.

Beyond Customer Service!

### What organizations do you support and why?

I am currently serving on the Business Education Support Team (BEST Committee), a non-profit organization that allows businesses to give back to our local Stratford School System. Supporting

our local school system is extremely important to help the children in our community learn and grow into our future leaders.

### What's a secret talent that no one knows about?

I love to do impressions and funny voices. My 3-year-old daughter Ayla loves when I read her books with different voices and mimic her favorite cartoon characters.

### Recommend a book/TV show you read recently.

*The Mighty Ducks: Game Changers!* For anyone who grew up loving the original *Mighty Ducks* movies, this show is fantastic. It's a perfect blend of new ideas and classic nostalgia that make you feel like a kid again watching the movies for the first time.
