#### How do you like working for The Milford Bank?

I enjoy working for the Milford bank. The Milford Bank is the perfect example of a community bank through both its business practices and community involvement.

#### What is the best part of your job?

All the staff members that I interact with are friendly and enjoyable to work with. My position with the bank requires that I remain flexible and self-motivated which fits my personality well.

#### What organizations do you support and why?

Currently I am volunteering at a COVID-19 vaccination center. I believe we all must do our part to get our great country back on track. PLEASE wear your mask! I co-chaired Milford Professional Firefighters Toys for Tots program for ten years and love to go back each year and help.

#### What three words would you use to describe The Milford Bank?

Friendly, caring, and accountable

#### How do you balance work and family?

Because my children live in the Boston area, I now balance my work family life by going to work a few hours each day to give balance to my wife's day.

#### Name something that might surprise everyone to know about you.

If all goes according to plan, I should be a grandpa for the first time this May.

#### Recommend a book/TV show you read recently.

I recently watched the movie *Hamilton* and read the book *Alexander Hamilton* by Ron Chernow. If you enjoy history and want to understand how we got started as a country, this was a great book.
