HOW TO CUT DOWN YOUR MONTHLY SUBSCRIPTIONS

If you're looking to build your savings in 2023, it may be time to take a look at your monthly spending. Pay particular attention to those subscription services you aren't using, especially if you can simply re-subscribe in the future if your needs change.

Subscription services have become a dominant model, but it's easy to lose track of how much you spend on them, which is why it is important to keep track of

them. You may be surprised at how many you pay for that you don't use enough and can be cut from your spending.

And remember, if you ever have questions about budgeting, saving, or any other financial needs, we're here to help. Call **203.783.5000** or visit **milfordbank.com** today!

EXCERPTED FROM OUR JANUARY 7 BLOG POST [HOW TO CUT DOWN YOUR MONTHLY SUBSCRIPTION COSTS](#). TO READ ALL OF OUR BLOGS, PLEASE VISIT MILFORD-BANK.COM/BLOG.

This is just a way to give a clear picture on how much you spend.

- **LOOK AT WHICH ONES MIGHT BE REDUNDANT.**

Do you really need to pay for Hulu and Netflix?

- **CONSIDER YOUR USAGE.**
