

NEW at The Milford Bank: Mobile App

The Milford Bank is excited to debut our free Centsible Kid\$ mobile app! Similar to our quarterly newsletter, the new Centsible Kid\$ mobile app teaches children good saving and spending habits, encourages giving to others, and provides math skills practice.

Kids pick up on the latest trends in a heartbeat and smart financial skills are learned and practiced. That's why The Milford Bank is providing this fun educational app at no charge to our community. With the new Centsible Kid\$ mobile app kids can:

- Play in-app games that teach financial knowledge and skills.
- Track spending, saving and giving goals on the app.
- Create a positive family conversation around money.

Centsible Kid\$ is safe to use and tracks money virtually (the app does not connect to accounts at The Milford Bank).

Centsible Kid\$ is available for Apple devices from the App Store, and Android devices through Google Play. Download today to help the kids in your life #knowmoney!

The Milford Bank Donates \$31,000 to Milford's Food 2 Kids Program

The Milford Bank staff was pleased to present a donation in the amount of \$31,000 to Milford's Food 2 Kids Program. The donation was a result of our combined efforts of obtaining donations throughout the various TMB offices and departments, along with our Tip a Teller event at Gusto's Restaurant in which bank employees served as the wait staff for diners who purchased tickets for a three course, prix fixe dinner.

The Milford Bank Donates \$20,000 to Milford's Veteran Groups

The Milford Bank was honored to present a donation in the amount of \$20,000 to Milford's Veteran Groups. The donation was a result of our annual Milford Moves 5K race in which The Bank and Colony Grill teamed up to host a 5K run/walk that benefitted the Milford chapters of the VFW, VVA, DAV and American Legion.

TMB's "Winter Wonderland"

On November 29th, The Milford Bank held the 4th annual Winter Wonderland in the Milford Green at our Main Office. Coinciding with the City of Milford's Tree Lighting, the free community and family friendly event gave attendees the opportunity to pose with Beauty and the Beast, enjoy carolers and live performances, create crafts and get their faces painted. We would also like to extend our thanks to Nicole Sakora, 24/7 Entertainment and Hatter & Tatter for their support and assistance. We hope to see you again for our 5th Annual Winter Wonderland event next year.

The donation was presented during the City of Milford's Veterans Day parade. Along with the check presentation, TMB security and facilities staff member and U.S. Navy Veteran Peter Berube also took part in a wreath laying ceremony for our fallen soldiers and The Bank was presented with a plaque in thanks for its support.
