INTRODUCING CLOVER

Business customers—the Milford Bank now offers Clover payment processing systems. Clover all-in-one payment terminals are designed to help manage the operations of small businesses through custom hardware, software and merchant services. With Clover, you can accept payments, manage inventory, track employee time, schedules and transactions and recognize marketing opportunities.

Clover will provide you with extensive payment options

that include traditional credit or debit cards, contactless payments, gift cards, and mobile payments, among others. It offers customer loyalty programs and cloud-based management tools to streamline day-to-day processes such as reporting, scheduling and inventory tracking. Clover also comes with customizable design with access to more than 150 apps to simplify business processes on a tablet, with a mobile device or at the sales counter.

HELP US FIGHT HUNGER

For the month of September, all offices and departments of The Milford Bank are participating in a fundraising campaign for the **Milford Food 2 Kids** program and **Stratford's Sterling House Food 4 Kids** program. The goal of both programs is to provide each child with food that they can take home over the weekend to ensure a secure source of food. During the COVID-19 crisis, both organizations worked alongside the public schools food services to feed in excess of 1,000 kids per week. To donate, go to milfordfood2kids.org and sterlinghousecc.org/stratford-food-4-kids.

EMPLOYEE SPOTLIGHT

SHARON MACKENZIE

LOAN SERVICING

On August 28, Sharon MacKenzie celebrated her 48th anniversary of joining the team at The Milford Bank. Sharon has been working for The Milford Bank longer than any active employee. In recognition of her many years of service, she is the first person to be featured in our newsletter.

Keep an eye out for spotlight features in future newsletters!

What is the best part of your job?

I love working with numbers and solving various problems.

What organizations do you support and why?

I'm a very active member of St. Peter's Church, Milford. I sing in the choir and have been since I was 11. I'm in charge of the Altar Guild. I'm also the Treasurer for the Church.

How would you describe The Milford Bank?

A wonderful community bank. We are like family.

What's a secret talent that no one knows about?

Singing.

Name something that might surprise everyone to know about you.

I sew and last year made several new costumes for the Church Nativity Play. In these past few months, I've been sewing face masks. This all started when I learned that a member of the parish needed assistance in sewing masks for a charitable cause. To date I believe I have sewn over 200 masks. The last batch of 50 masks was sent to the CT Veterans Home in Rocky Hill.

My husband and I traveled via Motorcycle throughout New England, New York and to many southern states as well.
