How do you like working for The Milford Bank?

I've worked at The Milford Bank for 10 years. I consider everyone here to be my family. I am proud to work for an institution that gives back to its community in so many ways.

What is the best part of your job?

The best part of my job is the people I work with. We are a hardworking team but we also like to have fun. Everyday, at some point, we'll all share a laugh.

What organizations do you support and why?

I have participated or volunteered in most of the community activities that The Milford Bank sponsors, however The Food 2 Kids initiative is closest to my heart. The children in our community need our help. The Milford Bank is currently doing a

fundraising drive to support them, and I am proud to be a part of it.

How would you describe The Milford Bank?

Three words I would use to describe The Milford Bank would be "ALWAYS GIVING BACK."

Name something that might surprise everyone to know about you.

Something that might surprise everyone to know about me would be that I enjoy playing "Pokemon Go"! My son got me started and I'm addicted. It's a great way to get your steps in. Go Team Valor!!

What's a secret talent that no one knows about?

I would have to say it's a baking tradition. Every Christmas I make pecan rolls for my family and relatives. It's a family recipe that was handed down generations, and my Mom taught me how to make.

Traditionally we eat these for breakfast on Christmas morning. They are only made once a year, and everyone looks forward to them. The biggest compliment given to me was when my Mom told me that my pecan rolls were better than hers!

Recommend a book you read recently.

I recently read *Bossy Pants* by Tina Fey. It was a fun book about her, that had me laughing.

HAPPY ANNIVERSARY!

We congratulate these **MILFORD BANK TEAM MEMBERS** on their anniversaries and thank them for their continued stellar work!
