IT'S A GREAT TIME TO SPRUCE UP YOUR HOME

Spring is a good time to work on some projects you want to get done around the house. You'll be able to enjoy the fruits of your labor all summer.

Small changes can make a huge impact. To the right are a few projects you can do on your own. But if you're ready to begin some larger projects, consider a Home Equity Loan or a Home Equity Line of Credit from The Milford Bank. One of our specialists can help you with great rates. Visit milfordbank.mortgagewebcenter.com.

GIVE YOUR HOME A NEW LOOK

Paint the front door.

You can even go with a completely different look with a color change.

Patio/deck accent lighting. There are many styles of outdoor string lights available.

Build a fire pit. When you're done, you can set up your outdoor furniture around your fire pit and enjoy the ambience year-round.

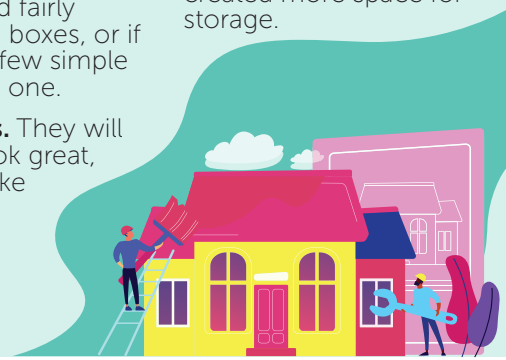

Plant a garden. You might also want to

consider building a fence around it using 2x2 posts and some garden fencing.

Window or deck boxes. You can find fairly inexpensive boxes, or if you have a few simple tools, make one.

Solar lights. They will not only look great, but can make it easier to navigate in the dark.

Organize your basement. When you're done, you'll be able to find things more easily, and probably have created more space for storage.

EMPLOYEE SPOTLIGHT

LARRY LEETE

COMMERCIAL LENDING

How do you like working for The Milford Bank?

The Milford Bank has been a great place to work, as evidenced by the almost 25 years I have been here.

What is the best part of your job?

I enjoy interacting with my customers, being able to solve their financing needs, and working with the members of the commercial lending department.

What organizations do you support and why?

Over the years, I have worked with the United Way of Milford, Milford Adult Education, the Guilford Agricultural Society, and the Guilford Fire Department.

Name something that might surprise everyone to know about you.

About 13 years ago, my wife surprised me with a banjo for Christmas, and I have been trying to play ever since.

What's a secret talent that no one knows about?

In the 1980's, my town had an annual spring festival and this group came to do a pioneer skill demonstration. They taught me how to throw a tomahawk. I got to be pretty good at "cutting cards."

A SIMPLE WAY TO SAVE

2020-2021 will be the final year that The Milford Bank will be offering Holiday Club Accounts. The good news is that we have an even better solution to help you with your savings goals and you can start right now! We've partnered with **PLINQIT**, a simple but powerful savings product that can be used in place of traditional Holiday Club Accounts, but in a much more versatile and convenient way.
