LOAN SERVICING

How do you like working for The Milford Bank?

I absolutely LOVE it!

What is the best part of your job?

I love the environment and my co-workers. Sharon (MacKenzie) is the BEST manager ever. I have to figure out a way to chain her to her desk so she can't ever leave us.

How do you balance work and family?

Well, it can be a challenge with four kids. So after I leave the Bank for the day, I take a deep breath, then I put on my cape to tackle my other job. I wish I got personal/vacation days there too!

What organizations do you support and why?

I support United Way through the bank. I also support ICNA (Islamic Circle of North America) Relief, Helping Hand for Relief and

Development where I sponsor one Orphan and Islamic Relief. I support all these organizations because it is one of the responsibilities of my religion to help those in need and less fortunate.

Name something that might surprise everyone to know about you.

My parents almost named me Rana. My name would have been Rana Rana or Rana Squared. Thank goodness they did not. They named me after an Iranian princess. Princess Farah which means happiness.

Recommend a book/TV show you read recently.

I would recommend my all-time favorite movie, animated and live action, Aladdin. I have watched it like a thousand times! He is my all-time favorite prince. I actually wanted to name my son Aladdin, but he would have probably resented me forever if I did.
